I once again heartily welcome you all to the 30th annual day celebration of JPS. I am indeed honored to have this opportunity to present before you consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

The annual report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which help the young mind to blossom and provide a platform for individual thinking and holistic development of the child's personality.

'Learning gives creativity, leads to thinking, thinking provides knowledge and knowledge makes you great'.

The year 2025 commenced on a wonderful note when the results of our 10th CBSE Board examination came out. We are happy to share the commendable performances of our students. We attained 100% result. Total 23 students appeared and 20 got more than 70% marks with distinction in various subjects. Kumari Badra Sreekumar was the topper and master Sravan K R scored centum in malayalam. Excellence in academic is the hallmark of any good institution and our students made us proud. These achievements was possible with the single minded commitment and dedicated care of our teachers. We are still not satisfied with this result. We are aiming for the No.1 slot and have adopted various measures to achieve our goal. Extra coaching classes, regular tests and

special counseling sessions for children and CBP for teachers are some of these steps.

This academic year started on June 2nd with pravesanolsavam. Mrs Thasna & Mrs Sanithamol are new additions to our KG section. Mrs Ahalya, Mrs Neethu, Mrs Safalya, Mrs Mishma, Mrs Ishwarya and Mrs Honey joined the teaching community and Mrs Harshala joined the group D section. Mrs Bindhya T, Mrs Yamuna K C, Mrs Simitha V M, Mrs Smitha K S, Mr Suragh S and Mrs Ambili K S resigned from teaching faculty & Mrs Sindhu Suhasan resigned from group D section.

Teachers attended CBP conducted by CBSE. We also had two CBP conducted by Dr. C G Geetha and Mrs. Fathima Ansari in the month of July & August. High school students had a motivational class by Miss Smitha Nair, certified trainer of teaching and learning methodology. The PTA Executive Committee has supported the school in organising various activities like CBP, field trips and other educational programs.

The school was started in June 1996 and has journeyed for 30 years with the vision to impart quality education in rural area with the motto- "learning to live together". We have a strength of around 300 students and 30 well trained well experienced dedicated teachers and staff. We have a fleet of buses to ply from distant places.

Sports and arts competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead. We conducted sports meet and arts festival in which all most all of the students participated. Days of national importance and festivals were celebrated environment day, anti drugs day, International yoga day, Investiture ceremony, Independence day, Onam, Constitution day etc were observed on due dates.

Our school takes care of the overall development of the children. They are exposed to maximum co-curricular activities. The students are mentored to participate in a variety of intra and inter school competitions. These helps them not only to expose their talents but also develop their dimensional growth. We participated in Star search competitions conducted by St. Pauls Fortkochi &

Nythora K S won IIIrd prize for light music. Our students also participated in Savodaya Scholarship examination.

It is an enduring tradition to take time to pause, turn around to look at the fruitful years gone by, achieving both expected and unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year with a positive attitude. Each annual day stands as a celebration of excellence, values and the vibrant talents of students, nurtured by the dedication of teachers and the support of parents. We thank almighty god for all the blessings bestowed upon us year after year.

Thankyou all for the support.
